## UWFaith Appalachian District News

First Quarter 2026

# AppaLadies in Mission

President

Happy New Year and welcome to 2026! I sincerely hope that each of you had a wonderful and blessed Christmas season. As Appalachian District's newly elected President, I am excited to start this 2026 journey with you - seizing opportunities to put love into action to improve the lives of women, children, and youth. In our UWFaith General Secretary and CEO's (Sally Vonner) *response* article, "Put Love into Action in 2026", she advised that when setting our intentions and goals for 2026, we pray the Wesleyan Covenant Prayer inviting us into all the ways that surrendering our full selves and trusting in Jesus is the ultimate intention. She notes a few of the opportunities we, as United Women in Faith, have in 2026 to put our love into action: (1) come to Assembly in Indianapolis and get fired up to change the world because we are UNSTOPPABLE (2) continue to support our National Mission Institutions through our presence and giving, as many of them continue to face significant budget cuts at a time when their communities need them most; (3) extend selfless giving through the Call to Prayer and Self-Denial offering. The 2026 theme is "The Future is Now: Invest in Our Children" - our gifts will support vulnerable children through the work of the National Missions Institutions. **Together, we can reach our 2026 goals!**

Linda Greer has emailed or snail-mailed 2025 report forms to all active units. Unit Presidents and Contacts, if you did not receive them, please contact me or Linda or go onto our District website, [www.appumw.com](http://www.appumw.com), to get your forms. You may mail them or email them to Linda at the physical address or email addresses listed on the form. As your 2025 outgoing President, Linda should receive 2025 report and will share information with me. Please keep a copy for your records. If you have not sent your report because you did not get it done on time, please send it to Linda as soon as possible. Sending it late is better than not at all. Please ensure that your 2026 list of officers with their contact info, especially email addresses, is included with your report so your officers can receive their copies of "AppaLadies in Mission" and any email correspondence from me.

I hope that each of you will attend all of our Appalachian District UWFaith events as well as our Western North Carolina Conference UWFaith events in 2026. Our Appalachian District Leadership Team met the second week of December to plan our events for this new year. See the event schedule in this newsletter and mark your calendars so you don't plan other events on the same dates, especially activities for your units.

United Women in Faith  
shall be a community of  
women whose purpose is:  
to know God and to  
experience freedom as  
whole persons through  
Jesus Christ; to develop a  
creative, supportive  
fellowship; and to expand  
concepts of mission  
through participation in the  
global ministries of the  
church.

We are having our Mission Study in March this year. I am excited that we are partnering with the Catawba Valley District again and having our Mission Study together at First Hickory UMC. Our Prayer Breakfast will be in April. See the flyers for both events included in this newsletter.

For the most part, we have kept our “Nurturing Partners” the same as last year. A “Nurturing Partner” in United Women in Faith is a designated individual at the district level responsible for fostering relationships with local units, encouraging participation, and ensuring units feel connected to the wider organization through regular communication, visits, and providing access to resources and opportunities for growth and leadership development. The Nurturing Partner chart is included in this newsletter. Feel free to invite your Nurturing Partner to a unit meeting – or, she may just give you a call and invite herself!

The full district officer list with contact information is also included in this newsletter – notice there are a few vacancies that need to be filled. Please contact a member of our Committee on Nominations or any district officer if you or someone you know may be interested in filling one of these vacant positions.

I would like to close with a prayer from the Prayer Guide - Creator, we lift ourselves up to you. May you nudge us in our comings and goings, in thoughts and trials, restoring the broken and filling our spirits for your glory. (Contributor: Cheryl Fox-Bender, Order of Deaconess and Home Missioner, New Creation Counseling Center, Tipp City, Ohio)

Feel free to contact me whenever you have questions. If I don't know the answer, I am confident that I can reach out or refer you to someone on the District or Conference team, and they will have an answer.

Love and Blessings,  
Jan Taylor

Vice President

Greetings!

Here we are at the beginning of a new year! I am excited to be your new vice-president! Let us pray that this year will be one that draws us closer to God and His help in fulfilling our mission. Appalachian and Catawba Valley Districts UWFAith will host our 2026 mission study at First Hickory UMC on Saturday, March 14. “Practicing Hope” was the Mission u study from 2025 and was a wonderful and spiritual event. Please give prayerful thought to attending. Food, fun, and most importantly, fellowship with our sisters in Christ is essential to our spiritual health. Ladies, be sure to use the program materials that assist you with your mission, vision and purpose of the UWFAith.

If you have any recommendations, suggestions, or comments, please feel free to reach out to me via text or email.

Blessings to each of you,  
Jean Stelter

John Wesley's Covenant Prayer  
I am no longer my own, but yours.  
Put me to what you will, place me with whom you will.  
Put me to doing, put me to suffering.  
Let me be put to work for you or set aside for you,  
Praised for you or criticized for you.  
Let me be full, let me be empty.  
Let me have all things, let me have nothing.  
I freely and fully surrender all things  
To your glory and service.  
And now, O wonderful and holy God,  
Creator, Redeemer, and Sustainer,  
You are mine, and I am yours.  
So be it.  
And the covenant which I have made on earth,  
Let it also be made in heaven.  
Amen.

### **Mission, Education, and Interpretation Coordinator**

Hi everyone, and Happy New Year! I am excited to see that our district mission study topic this year will be "Practicing Hope". It is an adult program designed to explore the concept of hope, particularly in challenging situations such as environmental disasters, genocide, and neofascism. In an increasingly uncertain world, it poses important concerns about the nature of hope and our ability to imagine a future for the next generation. The curriculum explores several facets of hope, including its definition, origins, practical foundation, and acknowledgement as a ritual. It places a strong emphasis on developing hope that recognizes present realities, (refugia), restorative hope to ease dire circumstances, and hopeful possibilities even in the face of transgression (repair). Through scripture study, group discussions, and individual spiritual practices like breathwork and "soul work," it fosters the growth of hope and the enjoyment of its practice. The goal of the study is to expand knowledge of its core, identity, and origins, presenting hope as a ritualistic activity that fosters development and happiness. By engaging in activities that foster hope, we can all significantly boost our joy and positivity.

Authored by Tabatha Holley, a former pastor and established writer affiliated with the 2024-2025 Sojourners Opinion Writing Cohort, the curriculum is an initiative of A Space to Land, LLC, which aims to offer holistic, interfaith services to diverse communities through events like funerals and weddings, alongside workshops and conflict mediation. The upcoming study session will be facilitated by Sandrea Williamson, the WNCC UWFaith Historian, who previously contributed as a Conference Mission u leader in 2025. The District Mission Study is scheduled for March 14, 2026, at First UMC Hickory. (See the flyer included in this newsletter.) Hope to see you there!

Yours in Christ,  
Terri Williams

### **Spiritual Growth Coordinator**

#### **Spiritual Growth Coordinator**

Greetings! I am excited about the upcoming Appalachian District United Women in Faith Annual Prayer Breakfast. The date is Saturday, April 18, 2026, at First Taylorsville UMC. Please see the flyer in this newsletter for making your local unit reservations and please send the names of your members who passed during 2025 to me. Please also send a photo of your deceased member(s) (if available) and any information about your member(s) to my email (sherrysummer@charter.net) or by mail (120 Shady Oak Terrace, Hudson, NC 28638.) Registration and payment should be sent to Nancy Reigel, District Treasurer. This is a special time to remember our sisters who completed their earthly journey in 2025 - please plan to attend. Our theme this year is "Reflections", and the scripture is II Corinthians 3:18, "All of us are looking at the glory of the Lord as if we were looking in a mirror. We are being transformed into that same image from one degree of glory to the next degree of glory. This comes from the Lord, who is the Spirit." (CEB version) Registration begins at 9 a.m., and Breakfast is from 9:30 a.m. to – 10:15 am. The program and worship begin at 10:15 a.m. and end at approximately 12 noon. Registration cost for breakfast is \$5 per attendee. The Hands-on Mission project will be donations to the Bethlehem Community Center in Winston-Salem.

Thank you,  
Sherry Summerlin

**Interim Treasurer**  
**Giving is Always Good! Always!**

Appalachian District Sisters,

What a difference you made in the lives of women, children, and youth around the world during 2025. Yes, you achieved and surpassed your 2025 Pledge to Mission. You also added to that second tier giving with donations to a Prayer and Self Denial offering, support of UMCOR projects, and bolstered the underlying ongoing strength of the future of UWFaith with your donations to the Legacy Fund. Congratulations and a resounding THANK YOU from those whose lives you have improved and continue to improve!

Yes, we the members of the Appalachian District met our Pledge to Mission Giving of \$30,000 with some to spare. Underlying that was \$21,341 in Pledge giving; \$1,765 in Special Mission Recognition, recognizing those you wanted to honor with a pin for their special contributions to Mission; \$2,683 in Gifts to Mission; \$1,720 Gifts in Memory; \$2,602 in World Thank Offering and \$50 in Walk for Mission. All of these surpassed 2024 Giving. Even better, all of this portends an ongoing strong future for United Women in Faith and our Mission.

**Looking forward to 2026:**

**Our Conference Love Offering** Dedication is: A “Gift to Mission” in honor of those who are dreaming, believing, and doing on behalf of women, children, and youth around the world.

**Our Conference Financial Goal** is for “Each unit to make a pledge to mission and to meet that goal.” In 2025 we came very close to achieving this goal – most Appalachian District local units achieved the second part of the goal, “meet their pledge”. In 2026 we will reemphasize the need for making a pledge....and meeting it. This goal is certainly achievable for 2026!

But, why do these numbers matter? Because they are not just numbers; they are how we, as members of United Women in Faith, use the monies they represent to put our purpose into action. Excellent examples of these can be found in the stories you can find in the January/February 2026 issue of *response* magazine. Stories of the important work of our National Mission Institutions (NMIs) across the US; NMIs, such as, our Bethlehem Center in Winston Salem and The Alliance Center for Education in Charlotte. And beyond that, stories of the support for the changing for good, like the Communication for Change article which tells of a 3-day writers’ workshop in Kerala, India offered by United Women in Faith in partnership with the Indian Society for Promoting Christian Knowledge. This workshop enabled participants to not only refine their craft but also re-vision themselves as agents of change through their words - a skill that will stay with them throughout their lives -change that endures.

These stories are what we celebrate when we celebrate Mission Giving. I look forward to continuing that celebration into 2026.

Blessings,  
Nancy Reigel

## **Becoming More Aware of the School-to-Prison Pipeline Understanding and Addressing a Critical Issue in Education**

### **Why Awareness Matters**

The School-to-Prison Pipeline refers to the troubling trend where disciplinary policies and practices in schools contribute to students, particularly those from marginalized communities, entering the criminal justice system. Understanding this issue is the first step toward dismantling it.

### **Ways to Become More Aware**

- Educate Yourself and Others: Read research articles, attend webinars, and follow advocacy organizations focused on educational equity and juvenile justice.
- Examine Local Policies: Review your school district's disciplinary policies. Are they restorative or punitive? Advocate for policies that prioritize counseling and conflict resolution over exclusion.
- Engage with Community Initiatives: Join local forums or community groups working to reform school discipline and promote restorative justice practices.
- Listen to Student Voices: Students often experience these policies firsthand. Encourage open dialogue and support platforms where they can share their experiences.
- Support Legislative Change: Stay informed about state and federal legislation aimed at reducing the pipeline. Contact your representatives to express support for reforms.

### **Call to Action**

Awareness is the foundation for change. By educating ourselves, advocating for fair policies, and amplifying student voices, we can help ensure schools remain places of learning, not gateways to incarceration.

Blessings,  
Elizabeth Conrad

## Committee on Nominations Member

Greetings and Happy New Year from the Committee on Nominations. We are thankful that Tami Gosselin has accepted a nomination for Secretary, but we still need a treasurer and another member of the Nominations Committee. Instead of making New Year's Resolutions, think of new ways you can challenge yourself to serve God. Where is God calling you to step out of your comfort zone? Do you feel a calling to join our District Team and help fulfill our purpose of turning faith, hope, and love into action by empowering women, children, and youth globally through spiritual growth, leadership development, supportive fellowship, and advocacy for justice and peace?

I am excited to rejoin the Committee on Nominations because I know what a joy it is to see people accept the calling to use their gifts and talents and to develop as leaders to serve others. I invite you to consider joining our team. The Committee on Nominations is a great way to join the team and see how everyone works together to fulfill our mission. While Nancy Reigel has graciously filled the position of Treasurer for us the last few years, it is time for another person to learn from her expertise. If you or someone you know would be interested in serving as Treasurer or on the Committee on Nominations or perhaps you feel led to be the Membership, Nurture, and Outreach Coordinator, feel free to contact me at (828) 728-0371 or any member of the District Team.

Blessings,  
Brenda Kimberlin

## Secretary of Program Resources

Hello fellow United Women in Faith. I pray that we all have a great 2026. One of the ways I recommend to make the year better is to get your unit involved in the Reading Program. There are so many books that address social issues, spiritual growth and just good stories. I read an article in *response* magazine about a unit's initiative to get everyone reading. Each time they met, someone read one of the children's books from the program. This not only led to discussion, but counted as a book read for the challenge. I decided to try this with my unit. I chose a book, and provided a reading log for each lady. Just getting to write a book down broke the ice for our ladies. We shared a book at several meetings, so most members were able to achieve the first level of one book in each of the five categories. I also shared information about some of the books on the list that I personally had read to build interest. Our participation increased from three in 2024, to thirteen in 2025. One of our first time participants completed level III. We are certainly going to continue sharing books in meetings, and I encourage you to try this also.

Happy reading and Happy New Year,  
Margaret Cooper

## United Women in Faith Legacy Endowment Fund Update

We, the Appalachian District and the Western NC Conference, have continued to promote and strengthen the Legacy Fund. The Conference received a giving report through September 30, 2025 on our conference cumulative giving to the Legacy Fund...which is \$565,367.65...third in the nation! Our Legacy giving so far for the year 2025 is \$19,923.07. The cumulative amount now in the Legacy Fund is \$51,994,013, or 86.66% of our \$60 million national goal. So...we are now within \$8,005,987 of our goal! That sounds amazing when you think about our beginning with a goal of \$60 million. Thank you for your continuing support of the Legacy Fund! Thank you for continuing to include a Legacy moment each time we gather. We need to continue to keep the Legacy Fund in front of everyone as we work toward our \$60 Million national goal. It would be especially exciting if we could reach that goal by the Assembly next May!
